CAMI CONVERSATION TIPS

CAMI CONVERSATIONS ARE THE SEEDS YOU PLANT
TO GROW A SUCCESSFUL BUSINESS.

In gardening, the more seeds you plant, the more flowers you grow! The same is true for your business... the more Cami Conversations you have, the more your business will grow by acquiring new customers, Hostesses and teammates.

Cami Conversations are simply instances where you are sharing Ruby Ribbon with another person. The most successful Stylist is the Stylist that is talking about her business DAILY to many women. Cami Conversations can happen anytime, anywhere. Let's take a closer look...

Types of Cami Conversations:

- In person or Phone Call
- Text Messages
- Tweets
- Social media posts
- Reels, Shorts & TikTok
- Zoom
- Email

Where to have Cami Conversations?

- At Work
- Sport Practices
- Gym/Yoga Studio
- Church
- Running daily errands
- Online

Part of the Launch Checklist is to complete your first Personal Stylist Appointment (PSA), the best place to start is with your Cami Conversation List (page 9-10).

Go back through your list and send your 5 stars the following message:

"Hi Julie, I need a few friends to help me as I start a new side-hustle, I just need some practice before I go out into the real world. Can you come over this weekend and be my guinea pig? It will be fun, I promise!"

From there you, simply set a time to meet up, let her try on the Camis and share the different ways that she can join our Community, as a customer, Hostess or Stylist.

CAMI CONVERSATION TIPS

CONTINUED

When you Smart Start (page 7), you have a goal of enrolling 3 new Stylists within your first full 4 months in business.

PRO-TIP: This business is so much more fun and rewarding when you are doing it with friends. While the Smart Start Program calls for 1 new qualified Stylist in Steps 2, 3 and 4, we suggest that you get ahead of the program by inviting a few friends along on this journey. Enrolling 3 now will fulfill the program's sponsoring requirement, and put you on a great track for success as well as earn you juicy rewards and cash bonuses.

Let's find your 3! Ask yourself?

- Who on my list would love sharing these products with other women?
- Who would I love to build this business with and help them achieve success while having fun together?
- Who do I know that has experience in Direct Sales?

Come up with a minimum of 10 women, and then reach out to each of them with the following message:

"I just started something so fun and you came to mind as someone who might love it like I do. If I send you over a video, would you have 2 minutes to watch it?"

Next Steps...

Growing a team is simple with our Sponsoring Success System which allows a new Stylist to sponsor right away.

- ☐ Share our 2 minute Intro Video with a prospect to gauge her interests.
- ☐ Set a Studio appointment with your prospect to watch our opportunity presentation together.
- ☐ Invite a Closing Partner (usually your Upline Leader) to join the session and answer questions and walk her through the enrollment process.
